EXPERIENCE

Web Developer
SKAN Restaurant   11/2022 - 12/2022
                                                          Duvvada
- Our team effort is to build a simple restaurant website using HTML & CSS
- This website consists of Home, About, Menu, Reservation and Contact Us pages
- I took charge to implement About and Menu web pages

Travel website   02/2023 - 03/2023
                                                          Location
- This is a Travel Booking Website which I have designed using HTML, CSS, PHP & JAVASCRIPT.

Online Auction   07/2024 - 08/2024
                                                          Location
- **https://quickbidorlend.netlify.app/**
- This platform is designed to facilitate a smooth and secure auction experience for both sellers and customers.
- We expand the Online auction system functionality by providing more flexible features Rent and lend as well for users which provide more flexibility and convenience.

Intern   05/2024 - 05/2024
TechnoHacks   Location
- I have successfully completed my internship at TechnoHacks
- This experience has been incredibly rewarding and has provided me with invaluable insights and skills in Machine learning

Codsoft   12/2023 - 12/2023
                                                          Location
- I have successfully completed my one month internship at CodSoft ! Grateful for the invaluable experiences, mentorship, and opportunities for growth.
- Excited to apply the skills and knowledge gained on this journey to future endeavors.
